TOEFL:

The TOEFL iBT standardized test is the most widely accepted and recognized English-language test in the world. The TOEFL test scores and efficiency are accepted by more than 10,000 colleges, universities, and educational institutions across over 130 countries of the world. Whichever corner of the world you wish to study, Worldwide Education Services (WWES) can help you out by giving the best possible assistance and guidance on TOEFL coaching and counselling sessions.

The TOEFL iBT standardized test is used for measuring the ability of a candidate towards understanding and using the English language at the university and higher levels. The test result is used to evaluate the balance in listening, reading, speaking, and writing skills in the English language to perform certain academic and professional tasks. The content of the TOEFL test is authentic and the language remains consistent that is being used in everyday life. The main feature of the TOEFL test is that it is based on American English. Therefore, it is vital to understand the grammatical and lexical subtleties of American English that distinguish it from the British English. We, at WWES, provide guided assistance and coaching sessions to the candidates appearing for the TOEFL exam to help them get a grasp on the American English and its proper usage.

IELTS:

IELTS stands for International English Language Testing System. The IELTS standardized test is organized jointly by the University of Cambridge ESOL Examinations, IDP: IELTS Australia, and the British Council. This standardized test is recognized by more than 6000 global educational institutions and universities in across 135 countries. IELTS is a comprehensive testing system that aims to confirm the highest international standards of language assessment. The test covers four basic language skills, reading, listening, speaking, and writing.

Worldwide Education Services (WWES) understands the importance of the IELTS standardized test for the candidates who wish to pursue their higher education abroad. Therefore, we have an in-house team of the most qualified and highly experienced professionals and faculty members which provides guided assistance and prepares the students for the exam.

GMAT :

GMAT stands for Graduate Management Admission Test. It is a standardized Aptitude Test that is required to be cleared for getting admission into the leading Business Schools and universities of the world. The GMAT score is considered to be the most valid testing schemes in the top-rated business schools in the world. GMAT entrance exam is designed to test the specific skills of the candidates that might be required to excel in a given curriculum.

GRE :

GRE stands for Graduate Record Examinations. It is a standardized aptitude exam that comes with a pre-defined syllabus. This entrance exam is needed to get admission into some of the graduate and business programs into leading universities of the world. This standardized test is specifically used for getting enrolled into MBA, specialized master's in business and other doctoral programs. WWES assists the candidates who wish to appear for GRE for getting admission into esteemed universities abroad by giving guided coaching and counselling sessions.

PTE :

PTE stands for Pearson Test for English. This is the most highly respected and universally accepted computer-based standardized test for English to study abroad. One can also opt for PTE test in case of immigration needs that is aimed at refining the English language skills of the non-native English-speaking candidates who wish to migrate to the English-speaking nations for multiple purposes. Worldwide Education Services (WWES) helps the aspiring candidates to excel in this test through guided assistance and coaching sessions to ensure their successful admission into their dream college or university abroad.

OET :

OET stands for Online Entrance Tests. This is a standardized test that is conducted by a majority of the global educational institutes and universities for enrolling international students into the curriculum. Several leading universities of the world accept the online entrance exam or test as the medium of getting admission. The OETs can be used to measure the knowledge as well as skill parameters of the candidates for enrolling them. Worldwide Education Services (WWES) gives the best assistance to the candidates who are sitting for the OETs to ensure their success of admission into the college of their dreams.
